ABOUT US

Travis Bristow has over 30 years' experience in the electrical industry. Travis started his own company called Switchworks Electrics. Through hard work, informed and up to date technical knowledge and extensive practical experience, together with a passionate commitment to providing high quality, safe and reliable services we are proud of the strong customer relationships we have built.

OUR VISION

To effectively use our extensive electrical experience and commitment to continually strive for safety, quality and excellence to be our customer's first choice in electrical installation, maintenance, repairs and expert solutions.

OUR MISSION

We pride ourselves on our safety and quality of electrical installations and maintenance. We will take the time to work with you to design the best possible solutions utilising our extensive technical knowledge and experience.

Reflecting Switchworks characteristic core values as our mission we bring:

- Strong knowledge and experience of all facets of the electrical industry (over 30 years).
- Committed and proven hard work ethic.
- Value added best practice customer relationships and service with an ongoing focus on customer satisfaction and building trusting relationships
- Prompt responses to service calls.
- Fully licensed, insured and trained electricians
- Ethical electrical and business practices: on time; on budget; on quality
